### COMMONWEALTH OF MASSACHUSETTS

BEGINNING WITH THIS ISSUE, THE TITLE OF THIS PUBLICATION HAS CHANGED FROM  
MASSACHUSETTS EXECUTIVE DEPARTMENT PUBLICATIONS

TO  
MASSACHUSETTS STATE PUBLICATIONS

THIS REFLECTS A CHANGE IN SCOPE. THE PUBLICATION WILL NOW INCLUDE SELECTED  
LEGISLATIVE AND JUDICIAL MATERIAL.

Annual listing of publications of Massachusetts State Agencies  
including selected publications of the Legislative and Judicial branches  
received by the State Library of Massachusetts during 1978.

An asterisk preceding the title indicates that the item has been  
issued but not published. A copy may be consulted at the State Library,  
but it does not circulate. Periodicals will be found in a separate  
alphabet at the end of the main listing.

statistics. In addition, statistics will be found in almost all annual,  
quarterly, monthly and weekly reports.

All of the entries herein are official publications of the Common-  
wealth and all are in the State Library's collection and may be consulted  
there. Publications are available from the State Bookstore, 116 State

COMMONWEALTH OF MASSACHUSETTS

This is an annual listing of publications of Massachusetts state agencies received by the State Library of Massachusetts during 1979.

Copies of the publications listed may be found in either microfilm or hard copy at the State Library. Periodicals will be found in a separate alphabet at the end of the main listing.

(S) at the end of an entry indicates that the entry includes statistics. In addition, statistics will be found in almost all annual, quarterly, monthly and weekly reports.

All the entries herein are official publications of the Commonwealth. Copies of the publications MUST be requested from the issuing agency, unless preceded by an asterisk (\*) which indicates that the publication was issued but is not available for distribution.

*Since July 1975 most publications have been microfilmed each quarter as a commercial subscription service, available to interested parties, by Research Publications, Inc., 12 Lunar Drive, Woodbridge, CT 06525. The underlined item number at the end of an entry is the microfilmed finding number for that entry.*

### ACKNOWLEDGEMENT

I would like to acknowledge two people on the State Library staff who have contributed toward this annual cumulation of Massachusetts publications:

Ms. Lillian Ross, who has had the unenviable task of typing the annual cumulation since its inception in 1962, and each year has done an excellent job.

For the last few years, Mrs. Deborah Pellegrini has compiled the section entitled "Periodicals Received by the State Library". Because of her excellent efforts in instituting bibliographic control over Massachusetts periodicals, this section has proven to be a useful and valuable addition to the annual cumulation.

To them, my thanks.

Susan Dow,  
Documents Librarian
